

### Field Trips:

We plan educationally fun field trips for the children. Parents are required to leave car seats at the school the day of the field trip for their child's safe transportation. We will let the parents know ahead of time when and where we will be going.

### Clothing:

The children will be playing both indoors and outdoors. We ask that you dress your child in clothing that is appropriate for the weather as well as durable and washable. Each family will be asked to provide an extra set of clothes should any accidents occur (water, food, paint, etc.).

### Registration & Enrollment:

Before any student is accepted for enrollment, a completed and signed registration and financial form along with the \$50.00 registration fee must be submitted to the church office. This will also guarantee a space for your child. Parents and guardians are able to enroll their child throughout the school year with the approval of the teaching staff and available attendance space. Enrollment is limited to 18 students per session. Your child must be 3 years old before September 1st.

### Tuition & Financial Aid:

Tuition is based on 36 weeks from September through May, following the Lynden/Lynden Christian School district holidays and breaks. A non-refundable registration fee of \$50.00 is required. Monthly tuition is \$95.00 for a 2 day per week session. A late fee of \$10.00 will be added after the 10th day of the month. Tuition scholarships are available.
