

SKY HIGH SPORTS

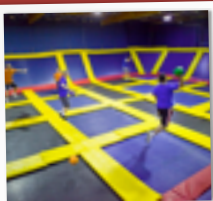

Jump 2 hours straight for only \$25, and still be back to Great Wolf Lodge by 3pm for 5 hours of indoor water park fun.

BOUNCE TO YOUR HEARTS CONTENT!

This place has trampolines everywhere! There is an open floor (above) that has angled walls so you can jump wherever you want and never run out of trampoline space. They also have a foam pit. This allows you to

jump from a trampoline into a foam pit so you can really practice you flips and not have to worry about landing wrong. They even have a trampoline dodge ball court if you want to take on the challenge. There are plenty

of employees to make sure everyone stays safe and there are yellow pads in between each trampoline so there are no rough surfaces. If you love to bounce, then this place is for you!
